

April 2009

Brazos Valley Woodturners

Old Business:

Maynard has talked to TSTC about meeting there. He will get back with them next month. They seemed to be interested.

New business:

The June picnic will also be a tool & wood swap. For every \$10 in sales we ask that you donate \$1.00 to the club. Bill Williams Tool in Fort Worth is having a sale. Bill Meador has pen blanks for \$1.00.

Safety Minute:

Our Safety Minute was presented By James Shinkle. Every wood-turner uses a chainsaw and the main things to remember are
ear muffs/plugs
eye protection
be careful and watch how you cut

Demonstration:

Our guest turner, Dan Henry from the Hunt County Club, did a great presentation on segmented turning. We expect lots of new projects on the instant gallery table next month. Dan Henry also judged our Presidents Challenge, weed pots. Bill Meador was the winner.

Bring Back auction:

James Nortons' weed pot was won by Bill Meador
Joel Crabbes' western maple square candle stand won by Ken Taylor
Joel Crabbes' weed pot was won by Jan Dean

Next BVW Meeting

May 9, 2009
Bill Meador's shop
1610 S. Old Temple RD
Lorena, TX
254-640-1199

Jan Dean sec/treas.

Note From the Newsletter editor:

This month has been a bit busy for me, plenty of spindle turning in front of me. I haven't heard from anybody wishing to contribute an article to this rag, so you will only see what I have to say here in this space.

We wish Dick Francey a speedy recovery, Dick is in room 530, North Tower, S&W, Temple.

We look forward to having Marion McDaniel from the North demonstrating snowmen this month.

Larry Walrath ed.
